DVV International Overview

DVV International is the Institute for International Cooperation of the Deutscher Volkshochschul-Verband e.V. (DVV), the German Adult Education Association. DVV represents the interests of the approximately 900 adult education centres (Volkshochschulen) and their state associations, the largest further education providers in Germany.

DVV International has been active in Central Asia since 2002 with a regional office in Bishkek, Kyrgyzstan and country offices in Tajikistan and Uzbekistan. Regional cooperation plays an important role in Central Asia and the exchange between adult education providers and various stakeholders from different countries is an important part of the work of DVV International in the region.

Curriculum globALE

Curriculum globALE (CG) is a modularised and competency-based framework curriculum for the training of adult educators worldwide. The qualification level is that of a basic qualification for the area of adult education. An adult educator working mainly in teaching was taken as the professional reference profile. In other words, the learning outcomes described in the curriculum constitute a qualification that course instructors, trainers, lecturers and similar individuals should have as a prerequisite for carrying out their work in a professional manner.

More information about Curriculum globALE at: <https://www.dvv-international.de/en/materials/curriculum-globale/>

Tasks

- Using module 5 (see link above), develop an hourly program using adult education methodology
- Conduct training on module 5 for the target group (25 people who completed the previous 4 modules) in Russian or English (with translation).
- Develop and provide a report and recommendations for training

Requirements for candidates

- Knowledge and experience in developing training programs for adult audiences and organizing the training process;
- Experience in training of adult audience;
- Proficiency in Russian is desirable;
- Experience in conducting trainings under the Curriculum globALE program is preferable.
